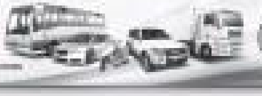
**DOTC**

DEPARTMENT OF TRANSPORTATION AND COMMUNICATIONS



BIDS AND AWARDS COMMITTEE

DOTC Road Transportation IT Infrastructure Project (LTO Component)

# *Section I. Invitation to Bid*

# INVITATION TO BID FOR THE ROAD TRANSPORTATION IT INFRASTRUCTURE PROJECT

## (LTO COMPONENT)

The Department of Transportation and Communications (DOTC) intends to implement a nationwide, integrated, scalable and robust Information and Communications Technology System (hereinafter "ICT System") for the transportation sector. The project will be called the DOTC Road Transportation IT Infrastructure Project (hereinafter the "DOTC IT Infrastructure Project"). The DOTC IT Infrastructure Project will have several components and the first component will be the customization, development, integration, procurement, supply, delivery, installation, implementation, operations, service and maintenance of the ICT System of the Land Transportation Office (LTO).

1. The DOTC, through the General Appropriations Act of 2011 and a Multi-year Obligational Authority (MYOA) by the Department of Budget and Management for the years [illegible], intends to apply the sum of Eight Billion [illegible] Pesos and [illegible] Centavos (P[illegible]), this being the Approved Budget for the Contract (ABC), to payments under the contract for the **DOTC IT INFRASTRUCTURE PROJECT (LAND TRANSPORTATION COMPONENT)**. Bids received in excess of the ABC shall be automatically rejected at bid opening. Payment terms shall be in accordance with Section V. Special Conditions of Contract.

2. The DOTC now invites bids for the DOTC IT Infrastructure Project. This shall involve, as its first phase, the customization, development, integration, procurement, supply, delivery, installation, implementation, operations, service and maintenance of the ICT System of the LTO. The DOTC IT Infrastructure Project shall run from [illegible] until [illegible] when delivery, installation and implementation of the ICT System is required in accordance with the schedule set out in Section VI. Schedule of Requirements, and from [illegible] until [illegible] when the operations, service and maintenance of the ICT System is required.

3. A Bidder must have completed by itself (or through member firms, if a JV or Consortium) as a Total Solutions Provider (TSP), provided that the TSP has at least [illegible] ownership of the JV or Consortium, at least two similar contracts to the DOTC IT Infrastructure Project within the last ten (10) years prior to the date of submission and receipt of bids, and whose aggregate value, adjusted to current prices using the National Statistics Office consumer price indices, must be at least fifty percent (50%) of the ABC. The largest of these similar contracts must be equivalent to twenty five percent (25%) of the ABC. A TSP is a systems integrator, hardware solutions provider, operations and service maintenance provider, among others, of an ICT System. The description of an eligible bidder is contained in the Bidding Documents, particularly, in Section II. Instructions to Bidders.

4. The winning Bidder should be able to provide the following:

   a. Project Management;
   b. Solution Design, Configuration and Integration;
   c. Application Development and Internal Testing;
   d. User's Acceptance Testing;
   e. Pilot Implementation;
   f. Process Improvements Study;
   g. Information Systems Security Policy;
   h. Technology Transfer/Training;
   i. Technical Advisory/Consulting Services;
   j. Contingency/Risk Management/Disaster Recovery Plan;
   k. Change Management;
   l. Post Implementation Support ; and
   m. Maintenance Support Plan.

5. Bidding will be conducted through open competitive bidding procedures using a non-discretionary "pass/fail" criterion as specified in the Implementing Rules and Regulations (IRR) of Republic Act (RA) 9184, otherwise known as the "Government Procurement Reform Act".

6. Bidding is open to all interested bidders, whether local or foreign, subject to the conditions for eligibility provided in the IRR of RA 9184.

7. Interested Bidders may obtain further information from the DOTC and inspect the Bidding Documents at **Unit 153, 15th Floor, The Columbia Tower, Brgy. Wack-Wack, Ortigas Avenue, Mandaluyong City** during office hours from 8:00 a.m. to 5:00 p.m.

   A complete set of Bidding Documents may be purchased by interested Bidders starting [illegible] April 2012 from the address above and upon payment of a nonrefundable fee in the amount of One Million Pesos (P1,000,000.00).

   The Bidding Documents may also be downloaded free of charge from the website of the Philippine Government Electronic Procurement System (PhilGEPS) and the website of the DOTC, provided that Bidders shall pay the nonrefundable fee for the Bidding Documents not later than the deadline for the submission of their bids.

8. The DOTC will hold a Pre-Bid Conference at **the Sapphire A Function Room, 4th flr., Crowne Plaza Manila, Galleria, Ortigas corner ADB Ave. Quezon City, Philippines on 23 April 2012 at 1:00 p.m.**, which shall be open to all interested parties.

9. Bids must be delivered to **the Ruby A Function Room, 4th flr., Crowne Plaza Manila, Galleria, Ortigas corner ADB Ave. Quezon City, Philippines at 1:00 p.m. of [illegible] May 2012**. Bids may be submitted before **[illegible] May 2012 at Unit 153, 15th Floor, The Columbia Tower, Brgy. Wack-Wack, Ortigas Avenue, Mandaluyong City**. All bids must be accompanied by a bid security in any of the acceptable forms and in the amount stated in ITB Clause [illegible].

   Bid opening shall be on **[illegible] May 2012** at **the Ruby A Function Room, 4th flr., Crowne Plaza Manila, Galleria, Ortigas corner ADB Ave. Quezon City, Philippines at 1:00 p.m.** Bids will be opened in the presence of the Bidders' representatives who choose to attend at the address below. Late bids shall not be accepted.

10. The DOTC reserves the right to accept or reject any bid, to annul the bidding process, and to reject all bids at any time prior to contract award, without incurring any liability to the affected bidder or bidders.

# Max's Creates Barkada Bonding Moments with 4Sharing Meals

If there are two things that young Filipinos love to share, it will be food and bonding moments with their friends. This is what homegrown fast casual dining restaurant Max's brings to the table with its latest group meal offering, "4Sharing Meals." Max's new campaign seeks to create unique and memorable experiences for diners, regardless of their age, gender and lifestyle.

"Max's 4Sharing Campaign is about understanding and responding to the needs of our customers, whether they are groups of teenagers hanging out together, young professionals meeting up for lunch, or seasoned Max's customers craving for their favorite comfort dishes. With Max's new offering, they get the best of everything – delectable dishes that are signature to Max's and the most budget-friendly price, so they can enjoy and share these meals to their heart's content," enthused Edgar Allan Caper, Marketing Director for Max's Restaurant.

# Argan is oil right for the skin

STYLE S.O.S.

[illegible]

DEAR LUY'S,

Where can I get pure Argan oil? I am told that the ones commercially available are mixed already. Have you tried Argan oil? What is its composition that makes it effective?

PRIMA

[illegible]

Argan oil, which is produced only in [illegible] from the nut of the argan tree, is an organic oil replete with beauty benefits. It has vitamin E, which is a natural and powerful antioxidant, and omega 6 and 9, which are fatty acids. [illegible]

Argan oil can also be used for a lot of skin conditions, [illegible]
